

MNWIFT Member Spotlight - Jessica Mason Pieklo

Jessica Pieklo I am from Omaha, Nebraska

I got my start in the biz as a writer and producer for Tallgrass Tales.

I am currently working as a Writer, Producer and Attorney.

The project I am most excited about is A feature-length western set in Miles City, Montana.

In ten years I see myself writing and producing great films here in Minnesota .

The best part about being a member of MN WIFT is the access to so many smart and talented women.

I think we can strengthen the community of women in production by networking with each other, recruiting talent from non-traditional sources, writing material geared for the talent.

Most people don't know that I planned on writing/producing documentaries once I graduated college.

If I could be anywhere in the world right now it would be in a villa on the Amalfi Coast with my family and friends.

Three people I would love to meet are Tina Fey, Alice Waters, Barbara Kingsolver.

If you are a MN WIFT member and would like to be featured in a member spotlight or would like to nominate another member - please send your information and photo to communications@mnwift.org
