

## **MN WIFT Member Spotlight Amanda Lathrop**

**I am from** I was born in Wisconsin, but I grew up in Minnesota.

**I got my start in the biz** as an intern with the Minnesota Film and TV Board

**I am currently working as a** Production Coordinator for Season 3 of MonsterQuest.

**The project I am most excited about is** MonsterQuest. I have been meeting so many interesting people.

**In ten years I see myself** as a Production Manager, Coordinating Producer, or Associate Producer. I hope to still be learning new things, loving what I do, and be able to pay my bills

**The best part about being a member of MN WIFT is** networking. I have not only met some great contacts for work, but made some great friends.

**I think we can strengthen the community of women in production by** participating in WIFT events.

**Most people don't know that** I was raised by my grandmother.

**If I could be anywhere in the world right now it would be** as it's very cold and snowy today, I am dreaming of warm beaches right now. I love to travel. I go one new place every year.

**Three people I would love to meet are** my great-grandparents, JK Rowling, and the person who invented Ice cream.
