~~~~~

**I am from** Minneapolis, Minnesota

**I got my start in the biz** by a girlfriend who wanted me to audition with her.

**I am currently working as a** Talent Agent and owner of Allensworth Entertainment, Inc.

**The project I am most excited about is** launching a Music Management branch to Agency in Los Angeles.

**In ten years I see myself** on top of the world!

**The best part about being a member of MN WIFT is** all the great people you meet and the wonderful support we provide each other.

**I think we can strengthen the community of women in production by** sticking together and letting everyone know we are here to stay.

**Most people don't know that I** hold a certificate in machine shop. I'm very mechanically inclined and can fix just about anything!

**If I could be anywhere in the world right now it would be** Monaco getting some sun in the Mediterranean. **Three people I would love to meet are** I can't answer that without sounding shallow.
