

## Member Spotlight - Beth Wilson

1. I am originally from Green Bay, Wisconsin.
2. I got my start in the biz almost four years ago at Drive Thru Productions.
3. I'm currently working as a Production and Editorial Supervisor at Drive Thru.
4. The project I'm most excited about is a Harley-Davidson job we just completed in Los Angeles.
5. In ten years I see myself growing and continuing to work as a producer for television commercials and working on writing a screenplay.
6. The best part about being a member of MNW WIFT is that you get the opportunity to experience how WIFT encourages, educates, and networks women so that they can continue to grow in the film community.
7. I think we can strengthen the community of women in production by continuing to build relationships and knowledge of what women are doing and working on here in Minnesota, and by continuing to meet other women that are working in film locally.
8. Most people don't know that I have a passion for documentary film.

9. If I could be anywhere in the world right now it would be traveling in South Africa.

10. Three people I would love to meet would be: Martin Scorsese, Johnny Depp, and Maya Angelou.
